

You Don't Have to Play the Horses

Blackie & The Rodeo Kings

So we wait beside the desert
Nothing left to give away
Naked as the Hanged Man's secrets
Nothing left to do but pray You don't have to play the horses
Life's a gamble all the same
It don't take much to make you lose sight
Of the object of the game Anyone can be a soldier
It's a prevalent disease
Oh God I don't know where to stand now
Help me find the right road please So we wait beside the desert
Nothing left to give away
Naked as the Hanged Man's secrets
Praying for the break of day
