Lcb Roadcrew

Lower Class Brats

Baby Ive been around the world and back
So many cities i cant keep track
so many drugs- i cant remember
another gig is another benderTouring, touring- its never boring
pogo all night and party til the morningWho could forget those berlin nights
Those red light girls and irish fights
from polish skins in czech pubs
to glassing crusties in minnesota clubsyou know the girls they cum and go
theres whiskey on the bar and a pocket full of blow
ill give you blood for a five dollar show
but thats what i do i gotta hit the road
