Now It's The Time

Rollergirl

Everyday
You keep on working
All your live
You are been waiting
For a time
Get your dreams alive

The moment
Of your fantasy
When everybody
WantÂ´s to be-yeah
Hey,your dreams come true

Now itÂ´s the time
When all your dreams are coming true
Now itÂ´s the time
When things are changing your hole live
Now itÂ´s the time
To live your dream
Now itÂ´s the time
To be supreme

Everyday
You keep on working
All your live
You are been waiting
For a time
Get your dreams alive

The moment
Of your fantasy
When everybody
WantÂ´s to be-yeah
Hey,your dreams come true

This is the moment
Of your fantasy
Hey baby,this is your time
