Billy the mountain
Billy the mountain
A regular picturesque
Postcardy mountain
Residing between lovely
Rosamond and gorman
With his stunning wife ethel
A tree, a tree.
Billy was a mountain
Ethel was a tree growing off of his shoulder
Billy was a mountain
Billy was a mountain
Ethel was a tree growing off of his shoulder
Ethel was a tree growing off of his shoulder
(hey, hey, hey!)
Billy had two big
Caves for eyes
With a cliff for a jaw
That would go up or down
And whenever it did
He'd puff out some dust
And hack up a boulder, hack.
Hack up a boulder, hack, hack.
Hack up a boulder, hack, hack.
Hack up a boulder.

Now, one day, and I believe it was on tuesday, a man in checkered double-knit suit drove up in large el dorado
cadillac leased from bob spreene ("where the freeways meet in downey!")
He laid a huge bulging envelope right at the corner of billy the mountain, that was right where his foot was
supposed to be. now billy the mountain, he couldn't believe it: all those postcards h
Used for, for all of those years, and finally, now at last, his royalties! "royalties, royalties, royalties! the royalty
check is in, honey!" ... yes, billy the mountain was rich! yes,
His eyeball caves, they widened in amazement... and his jaw, which was a cliff, well it ... it dropped thirty feet!
a bunch of dust puffed out ... rocks and boulders hacked up, hack! hack! ... c

Ng the lincoln ...
I gave him the money
He acted real funny
He hacked up a rock and
It totaled my car
Oh do you
Know any trucks
Might be bound for the valley
I don't wanna stand here
All night in this bar
(dear lord)
I don't wanna stand here
All night in this bar
(no shit)
I don't wanna stand here
All night in this bar

By two o'clock, when bars had already closed down, billy had broken the big news to ethel, ahhhh, and with dust and boulders everywhere, billy, choked with excitement, announced: "ethel, we're going on a vacation!" ... yes, and they were going on a vacation, oh, and ethel, ethel, ethel, like any little woman, she of course was very excited ... she creaked a little bit, and some old
Flew off of her. billy told ethel they were going to... yes, they were going to new york! "ethel, we're going to... new york! but first they were gonna stop in las vegas...

"it's off to las vegas to check out the lounges,
Pull a few handles and drink a few beers, oh ethel,
Ethel, my darling, you know that I love you,
I'm glad we could have a vacation this year,
Oh neat-o, glad we could have a vacation this year."

They left that night, crunchin' across the mojave desert, their voices echoing thru the canyons of your minds...
"ethel, wanna get a cuppa cawfee? howard johnson's, ahhh there's a howard johnson's!
's! ... wanna eat some clams? ...

 It was about this time that the telephone rang inside of the secret briefcase belonging to one mortal man who

Some men say he could dance

They said he could dance

And of course they were right ...

Ladies and gentlemen, this is it: the studebacher hoch dancing lesson & cosmic prayer for guidance, featuring
aynsley dunbar! ... hit it! ...

Twirly, twirly, twirly, twirly, twirly, fillmore ...

Hey, right hand from a heart

Right hand from a heart

Nobody can dance like studebacher hoch ...

Frozen ? ? ? pie

Frozen ? ? ? pie

And that was the main influence on him

The influence of a frozen beef pie]

Boldly springing into action he phoned his wife who ran a modeling school, whereupon he... yes, he ran around
the back of the broadway at hollywood boulevard and vine to see if he could find him

Some big, large, unused cardboard boxes (no shit!)... after which he hit up the ralph's on sunset for some aunt
jemima syrup, some kaiser boiler foil and pair of blunt sissors, yeah! ... yes,

N the parking lot of ralph's ... where no prices are lower prices than ralph's... in the parking lot of ralph's, in
between a pair of customized trucks where nobody was looking, he cut out some

Y, really, really nice wings and he covered them thoroughly with foil ...

Then he took those wings and wedged one under each of his powerful arms and sneaked into a telephone booth
..yes,yes!! and then he shut the fucking door! ... and he pulled down his blue denim po

An-type trouser pants, and he spread even amounts of aunt jemima maple syrup all over the inside of his legs! ...
soon the booth was filling with flies (help me! help me! help me!) ... he held

The legs of his boxer shorts so they could all get in, and when each and every one of those little cocksucking
flies had gone into his pants and they were lapping up all that maple syrup, he be

Er and he put his head between his legs and he said in a very clear, impressive, ron-hubbard-type voice: "new

Studebacher hoch
Yeah, yeah,
Studebacher hoch
Studebacher hoch
Studebacher hoch
Yeah, yeah,
Studebacher hoch
Studebacher hoch
He's coating his legs
With aunt jemima syrup up and down
His shorts will be filled with flies
That will be buzzing all around
Studebacher hoch is really outa sight
Studebacher hoch, he does it every night
Studebacher hoch, he treats the flies all right

Studebacher hoch
That's why they never bite, hey!

Hey please to new york

Fly to new york

He could be a dog

Or a frog

Or a lesbian queen

(fly to new york)

He could be a narc

Or a lady marine

Or he might play dirty

He's over thirty

Getting old ...

I don't know

His peculiar attire

And the flies he requires

Keep leading him on

"cause ethel is gone

They keep leading him on

"cause ethel is gone

And the mountain she's on

And speaking of mountains - - we'll join studebacher hoch on the edge of billy the mountain's mouth .. take it
away! ...

"ah ... ya, ya, ya, hey-ah, billy, listen ... I've come to reason with you ... our great country needs you in the

Ah, but ethel just shook her twigs angrily. but studebacher hoch, calm, cool, collected and unperturbed,
continued:

"ya, well listen ... listen you communist sonofabitch ... you better get your ass down there for your fuckin'

physical or I'll see to it that you get used for fill dirt in some impending ne
Sey marsh reclamation ... and your girlfiend there will wind up disguised as series of brooms, primitive ironing
boards or a dog house ... get the (cough, cough) get the picture? "

Ya, well billy just laughed:

"ha, ha, ha. if they think they're gonna draft me, they're crazy."

Unfortunately, because studebacher hoch was standing on the edge of billy the mountain's mouth when the
giant mountain laughed ... studebacher hoch lost his footing and fell screaming, two hundr
Et into the rubble below ... ("aaahhhhh, oh fuck, I'm gonna need a truss ...")

Ah listen, that only goes to show you

And it'l show you once again that

A mountain is something you don't wanna fuck with

You don't wanna fuck with

Don't fuck around

Don't fuck around

Don't fuck with billy, no

And don't fuck with ethel

You saw what just happened

To the guy with the flies

Don't fuck around

Don't fuck around

Don't fuck around

Don't fuck around

Don't fuck around

Don't fuck around

Don't fuck around

With biddilly, biddilly

Biddilly the mountain

Eddie, are you kidding?

Eddie, are you kidding?

Oh I forgot to mention this is where we take our intermission.

We will see you in a few minutes

Thank you, we'll be back.
