Midnight Lounge

Jody Watley

I'm so glad lookin' at the weekend
We like colorful friends
No stress, no news, just good vibes
Good food, good music and good timesAll I wanna do is just dance
All I wanna do is just dance
All I wanna do is just dance
All I wanna do is just danceMidnight lounge
Midnight lounge
Midnight loungeAll I wanna do is just dance
All I wanna do is just dance
All I wanna do is just dance
All I wanna do is just danceA place where you can be free
DJ's keep rockin' that beat
No stress, no news, just good vibes
Good food, good music and good timesAll I wanna do is just dance
All I wanna do is just dance
(Midnight lounge)
All I wanna do is just dance
All I wanna do is just dance
(Midnight lounge)All I wanna do is just dance
All I wanna do is just dance
All I wanna do is just dance
(Midnight lounge)All I wanna do is just dance
All I wanna do is just dance
All I wanna do is just dance
All I wanna do is just danceAll I wanna do is just dance
All I wanna do is just dance
(Midnight lounge)
All I wanna do is just dance
All I wanna do is just dance
(Midnight lounge)Midnight lounge
