

Bless the Beast

Hysterica

You're fighting
With the demons in your head
The lightning
A candle next to your bed
Screaming
In your eyes metal feel so true
Begging
Who can tell you what to do Hey hey listen to me
It's in your system it's time to be free
Hey hey it's time to obey
You're losing control
It's time to pay
Where is the priest?
Bless the beast
Searching
For a lead that can pound your soul
Howling
And hope you witch your growl
You're burning
You're burning up in flames
You're bleeding
In your conscious system veins
