

Tangled Up In You

Twat Waffles

You're my world, the shelter from the rain
You're the pills that take away my pain
You're the light that helps me find my way
You're the word when I have nothing to say
In this world where nothing else is true
Here I am still tangled up in you
I'm still tangled up in you
Still tangled up in you
You're the fire that warms me when I'm cold
You're the hand I have to hold as I grow old
You're the shore when I am lost at sea
You're the only thing that I like about me
And in this world where nothing else is true
Here I am still tangled up in you
I'm still tangled up in you
How long has it been
Since this story line began?
And I hope it never ends
It goes like this forever
In this world where nothing else is true
Here I am still tangled up in you
I'm still tangled up in you
I'm still tangled up in you
I'm still tangled up in you
