Never Let You Go

Sweet Sensation

All night, I'll never let you goI'll never let you go
Never let you go
I'll hold you tight all night
I'll never let you goI've had my share of heartache and pain
I've been with users, and losers and seen all of their games
But no one makes me feel the way you doThere was a time when I was so all alone
There was no lover, no other, I could call my own
But now that I met you those days are throughI'll never let you go
I'll keep you on my heart
Never let you go
Until the end of time
I'll hold you tight all night
Never, never let you goYou are the earth and I am the sea
The world together, forever, I'll be all that you need
You and I were always meant to beIf you should leave and go your own way
I'll still love, I will survive but every night I pray
That you will find your way right back to meI'll, I'll never let you go
I'll keep you on my heart
Never let you go
Until the end of time
I'll hold you tight all night
I'll never let you goNo, no, no, no, no, no, no, no, no, no
No, no, no, no, no
N-no, no, noDay after day and night after night
I screamed your name and you just came now everything's alright
Loving you has made my life completeWhen I'm with you it's like a dream that's come true
My emotions start to blow
My skies are blue and my eyes gaze on you
And I think that you should knowI'll never let you go
I'll keep you on my heart
Never let you go
Until the end of timeI'll never let you go
I'll keep you on my heart
Never let you go
Until the end of time
I'll hold you tight all night
I'll never let you go
