

# No Love Allowed

Rihanna

9-1-1 it's a critical emergency, yeah  
Betta run run run comin' chargin with the 1-4-3, yeaah  
Told me this world was mine  
Such a beautiful lie  
Now he's done done done and his love is no more for me  
Hand in the air as he wave me good bye  
He said he care but no tears in his eyes  
And asked me if I'm alright  
N\*gga is you blind?  
Like a bullet your love hit me to the core  
I was flying til you knocked me to the floor  
And it's so foolish how you keep me wanting more  
Ye, I'm screaming murderer, how could you murder us  
I call it murder, no love allowed  
Yeaahhhh, yeah, yeah, yeah, yeah  
Yeahhhh, oh yeah, yeah, yeah, yeah, yeah, yeahhhh  
Fee foe fum like the sky's falling down on me  
Numb numb numb he's so cold he doesn't feel a thing, nooo  
Broken heart was the case  
Gwan and put him away  
He's the only one one one I ever let get the best of me  
Hand in the air as he wave me goodbye-ah  
He said he care but no tears in his eye-ah  
  
And ask me if I'm alright  
N\*gga is you blind  
Like a bullet your love hit me to the core  
I was flying til you knocked me to the floor  
And it's so foolish how you keep me wanting more  
Ye, I'm screaming murderer, how could you murder us  
I call it murder, no love allowed  
Yeaahhhh, yeah, yeah, yeah, yeah  
Yeahhhh, oh yeah, yeah, yeah, yeah, yeah, yeah, yeahhhh  
Usually I'm the one that they cry for,  
But this man, he's the one that I die for,  
Mamma said there's no cause for a rebel  
Do you hear me now?  
Oooooooooo, oooooooooo  
Oooooooooo, no love, no love, no love allowed!!!

Like a bullet your love hit me to the core  
I was flying til you knocked me to the floor  
And it's so foolish how you keep me wanting more  
Aye, I'm screaming murderer, how could you murder us  
I call it murder, no love allowed  
I'm screaming murderer, how could you murder us  
I call it murder, no love allowed.
