

Physical Attraction

Madonna

You say that you need my love
And you're wantin' my body I don't mind
Baby all I've got is time
And I'm waiting to make you mine You say you want to stay the night
But you'll leave me tomorrow I don't care
All of your moves are right
We can take it anywhere this Physical attraction
It's a chemical reaction
Physical attraction
It's a chemical reaction Trying hard to get away
But I can't seem to fight the way I feel
Even though you're not for real
Your touch is driving me
Crazy and when you smile
It's just makin' me want you more and more
Baby won't you stay awhile
It could be such a fantasy Physical attraction
It's a chemical reaction
It's a physical attraction
Sweet satisfaction Maybe we were meant to be together
Even though we never met before
We got to move before the sun is rising
And you'll be walking slowly out the door, out the door You say that you need my love
And you wantin' my body, I don't mind
Baby all I've got is time
And I'm waiting to make you mine You say you want to stay the night
But you'll leave me tomorrow, I don't care
All of your moves are right
We can take it anywhere Physical attraction
It's a chemical reaction
It's a physical attraction
Sweet satisfaction Maybe we were meant to be together
Even though we never met before
We got to move before the sun is rising
And you'll be walking slowly out the door, out the door Physical attraction
It's a chemical reaction
It's a physical attraction
It's a chemical reaction Physical attraction
So much satisfaction, attraction, reaction

So much satisfaction
It's a physical, a physical, a physical attraction
A chemical, a chemical reaction
Physical, physical attraction
A chemical, a chemical reaction
A physical, a physical attraction
