

# Dark Horse

Christina Grimmie

I knew you were  
You were gonna come to me  
And here you are  
You better choose carefully  
I'm capable of anything  
Of anything and everything Make me your Aphrodite  
Make me your one and only  
But don't make me your enemy, your enemy, your enemy So you wanna play with magic  
Boy, you should know what you're falling for  
Baby do you dare to do this?  
'Cause I'm coming at you like a dark horse  
Are you ready for, ready for  
A perfect storm, perfect storm  
'Cause once you're mine, once you're mine  
There's no going back Mark my words  
This love will make you levitate  
Like a bird  
Like a bird without a cage  
But down to earth  
If you choose to walk away, don't walk away It's in the palm of your hand now baby  
It's a yes or no, no maybe  
So just be sure before you give it all to me  
All to me, give it all to me So you wanna play with magic  
Boy, you should know what you're falling for  
Baby do you dare to do this?  
'Cause I'm coming at you like a dark horse  
Are you ready for, ready for  
A perfect storm, perfect storm  
'Cause once you're mine, once you're mine  
There's no going back So you wanna play with magic  
Boy, you should know what you're falling for  
Baby do you dare to do this?  
'Cause I'm coming at you like a dark horse  
Are you ready for, ready for  
A perfect storm, perfect storm  
'Cause once you're mine, once you're mine  
There's no going back
