Spirit Pour Out

Andy & Rachel Graham

Spirit pour out and flood this city
Heaven come down and shake the walls
Fill us Lord, the world is waiting
Father let your kingdom come

Come restore generations in desolation
Bind up the poor 'n broken heart
Plant and sow,
till and grow the time is ravaged
break down the walls, race and war

Spirit pour out and flood this city
Heaven come down and shake the walls
Fill us Lord, the world is waiting
Father let your kingdom come

God we seek
peace and welfare for our city
Prosper, redeem her as your own
Then all will see
your glory here in greater measure
To us your church your kingdom come

Spirit pour out and flood this city
Heaven come down and shake the walls
Fill us Lord, the world is waiting
Father let your kingdom come

Spirit pour out and flood this city
Heaven come down and shake the walls
Fill us Lord, the world is waiting
Father let your kingdom come

You are the God who builds
You are the one who saves
You are the God who prospers
Evil has no claim

You are the God who builds
You are the one who saves

You are the God who prospers
Fervently we pray

You are the God who builds
You are the one who saves
You are the God who prospers
Evil has no claim

You are the God who builds
You are the one who saves
You are the God who prospers
Fervently we pray
