July Morning

Uriah Heep

There I was on a July morning
Looking for love
With the strength of a new day dawning
And the beautiful sun
At the sound of the first bird singing
I was leaving for home
With the storm and the night behind me
And a road of my own
With the day, came the resolution
I'll be looking for you
La la laa
I was looking for love
In the strangest places
There wasn't a stone that I left unturned
Must have tried more than a thousand faces
But not one was aware of the fire that burned
In my heart, in my mind, in my soul

La la laa la
In my heart, in my mind, in my soul
La la laa
La la laa
Aah ha ha
There I was on a July morning
I was looking for love
With the strength of a new day dawning
And the beautiful sun
At the sound of the first bird singing
I was leaving for home
With the storm and the night behind me yea
And a road of my own
With the day, came the resolution
I'll be looking for you
La la laa la
