The Way I Do

Marcos Hernandez

(Oh no)
(Ah yeah)Your kiss,
Your smile,
Your mind, your sunlight in my eyes.
I miss,
Your breath,
On my neck, when we whisper in the night.
Didn't wanna want you,
Didn't wanna need you so bad,
Didn't wanna wake up
And find I was falling so fast.
Didn't wanna need you,
Didn't wanna need anyone,
Now look what you've done,[Chorus]
Now I can't go on without you,
I'm naked,
I can't fake it,
I'm not that strong without you
Never thought I could love you,
The way I doThe way I doYour touch,
Your skin,
Can't believe the way you let me in.
Don't rush,
Tonight,
I need you, like the ocean needs the tide.
Didn't wanna want you
Didn't wanna need you so bad
Didn't wanna wake up
And find I was falling so fast.
Didn't wanna need you
Didn't wanna need anyone
Now look what you've done[Chorus]I always thought I would stand on my own
Climb a mountain top all alone
Relying,
Depending,
On no one
Now look what you've done[Chorus]Never thought I could love you
(Never thought I could love you)
Never thought I could need you

(Need you)
Never thought I could want you
(Baby)
The way I doNever thought I could love you
Never thought I could need you
Never thought I could want you
The way I doI love you
I need you
I want you
The way I doI love you
I need you
I want you
The way I do
