You Shouldnâ€™t Do That

Hawkwind

You shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do thatYou shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do thatYou shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do thatYou try so hard to get somewhere
They put you down and cut your hair
They're saying you're no good, they just don't care
You're trying to flyYou get nowhere, you get nowhere
You get nowhere, you get no air
You get no air, you get no air
You're getting aware, you're getting aware
You're getting aware, you get nowhere
You get no air, you're getting awareYou shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do thatYou shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do that
You shouldn't do that, should do thatYou want so hard to get somewhere
With trees and flowers growing there
If you can't make it you're going spare
You're trying to fly, you get nowhere
You get nowhere, you get nowhereYou get no air, you get no air
You get no air, you're getting aware
You're getting aware, you're getting aware
You get nowhere, you get no air
You're getting aware
