Agitated

Devo

I grew up in a typical way
So I keep trying to unwind
Cause I'm agitatedIn this place so full of hate
I keep trying to unwind
You might think it's pretty obvious
So tell me what I say, hey!
I way born in a typical way
So I keep trying to go back
And I'm agitatedIn this world so full of pain
I keep trying to go back
You might think its pretty infantile
So tell me what I know, hey!
Day and night forever trading places
Good and evil sleeping side by side
In this world full of plenty of stuff
You'd think there'd be enough love to go around, hey!
I was picked in a random way
To be a singing dancing fool
And I'm agitatedIn this place going less than great
I', just a singing dancing fool
If you don't like what I keep talking about
Then tell me what I say, hey!
I'm agitatedIf you think you got it all worked out
Then tell me what to know, ho!
I'm agitatedTell me what I say
Do the mashed potatoes
Tell me what I say
I'm feeling amputated
Educated
I'm agitated
