

How I Could Just Kill A Man (Live Cut)

Rage Against the Machine

Hey don't miss out on what you're passing
You're missing the hootah of the funky buddah
Eluder of the fucked up style's that get wicked
So come on as I start to kick it
Cause we're like outlaws striding while suckers are hiding
Jump behind the bush when you see me driving by'
Hanging out my window, and my magnum taking out some putos
Acting kind of loco I'm just another local
Kid from the street getting paid for my vocals
Here is something you can't understand
How I could just kill a manHere is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understandI be doing all the dumb shit yo
Cause nothing is coming from it
I'm not gonna waste no time fucking around I got ya humming
Humming coming at ya! then you know I had to gat ya!
Time for some action just a fraction of friction
I got the clearance to run the interference
In to your satellite shining a battle light
Sen got the gat and I know that we'll gat you right
Here's an example just a little sample:
How could I just kill a man
One time tried to come in my home take my chrome
I said yo it's on. take cover son or you're assed out
How do you like my chrome then I watched the rookie pass out
Didn't have to blast him but I did any way, young punk had to pay
So I just killed a manHere is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
How I could just kill a manIt's gonna be a long time before I finish
One of the many missions that I have to establish

To lite my spliff ignite you with insite so if you ain't down
Bullshit. say some punk tried to get you for your auto
Would call the one time and play the role model?
No! I think you'll play like a thug
Next hear the shot of a magnum slug, humming coming at ya!
Yeah you know I'm going to gat ya, how do you know where I'm at
When you haven't been where I've been, understand where I'm coming from
While you're up on the hill in your big home
I'm out here risking my dome, just for a bucket or a faster ducket
Just to stay alive yo I got to say fuck it
Here is something you can't understand, how I could just kill a man
Here is something you can't understand, how I could just kill a man
Here is something you can't understand, how I could just kill a man
Here is something you can't understand, how I could just kill a man
Here is something you can't understand, how I could just kill a man
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
Here is something you can't understand
How I could just kill a man
How I could just kill a man
How I could just kill a man
