

# Breaking the Same Old Ground

Marilyn Manson

When i found out how to be what you want  
I was out looking for something new  
Diggin too deep, now too late, we're just gonna be breaking the same old ground,  
Breaking the same old ground  
So you think that i asked for this  
Let me show you what i think of your lips  
and you think that i asked for this  
Come on, use your fist  
Then i found out how to be what you want  
but I was out looking for something new  
Diggin too deep, now too late, we just keep on breaking the same old ground,  
Breaking the same old ground  
We just keep on breaking the same old ground  
So you think that i asked for this  
Let me show you what i think of your lips  
and you think that i asked for this  
Come on, use your fist  
Then i found out how to be what you want  
but I was out looking for something new  
Diggin too deep, now too late, we just keep on breaking the same old ground,  
Breaking the same old ground  
I, Oh my,  
Death,  
And, I,  
Am in love with,  
Oblivion  
I, Oh my,  
Death,  
And, I,  
Am in love with,  
Oblivion
