

# Song For The Broken

## One Lucid Dream

We'll scream it loud

This is a melody, it's time to sing it out

So give us words before we all forgetThis is where I lift my hands and say enough is enough

So many people are broken and they're not getting up

This is our offering, this is our hope

This is what we believe in and we're not giving upThis is our song

So sing out loud a chorus for us

It's all too much

I can feel my lungs collapse on meBitter soul, why are you weeping

Tears that fall only for you?This is our song

So sing out loud a chorus for us

It's all too much

I can feel my lungs collapse on meThis is my worship, this is my life

To bring hope into this broken world

This is my worship, this is my life

To bring hope into this broken worldThis is my worship, this is my life

To bring hope into this broken world

This is my worship, this is my life

To bring hope into this broken world

This is my worship, this is our worshipThis is our song

We'll scream it loud

So sing out loud a chorus for us

It's all too much

I can feel my lungs collapse on me
