

Destined for Nothing

Bad Religion

Woah

Woah

Woah Who do you believe can put some meaning in your life?

Meaning in your life, meaning in your life

Who do you conceive to provide you guidance and light?

Guidance and light, guidance and light Are they waiting for you in the by and by?

Do you even have to try? Headed for eternity and destined for nothing

The future isn't difficult to see

(It's easy)

To confuse grand design with life's repercussions

Lament not your vanquished fantasy

It's only destiny Why do you consent to live in ignorance and fear?

Ignorance and fear, ignorance and fear

Ancient people succumbed to it, can it happen here?

Can it happen here? Can it happen here? Does it make you suffer 'cause you have to die?

Is it best to live a lie? Headed for eternity and destined for nothing

The future isn't difficult to see

(It's easy)

To confuse grand design with life's repercussions

Lament not your vanquished fantasy

It's only destiny Why can't you see?

There ain't no destiny

For you and me

There ain't no destiny Why can't you see?

(Why can't you see?)

No destiny

(There ain't no destiny)

There ain't no destiny Why can't you see?

(For you and me)

No destiny

There ain't no destiny

(There ain't no destiny)

No Headed for eternity and destined for nothing

The future isn't difficult to see

(It's easy)

To confuse grand design with life's repercussions

Lament not your vanquished fantasy

It's only destiny Woah

Woah

Woah
