So Goodbye

Chester See

(Yeah)
(Yeah)One word
One look
One walk on byYour silence speaks to me tonight
A question that I know the answer to
An answer that I need to hear from you
But I can't take this anymore[Chorus]
So this is the last song I sing to you
It's time I be a man and I face the truth
Lies are the tears in your eyes
I won't waste the time or the breath on you
To explain things you'd think you already knew(yeah)
So goodbye
(yeah)
Goodbye
GoodbyeOne push
One pull
One final breakThis foolish heart and your mistakes
It's hard enough to know the things you did
It's harder not to let you right back in
But I've got nothing left to say[Chorus]
So this is the last song I sing to you
It's time I be a man and I face the truth
Lies are the tears in your eyes
I won't waste the time or the breath on you
To explain things you'd think you already knew
Already knew...[Chorus]
So this is the last song I sing to you
It's time I be a man and I face the truth
Lies are the tears in your eyes
I won't waste the time or the breath on you
To explain things you'd think you already knew
Already knew..Goodbye (x9)
