[Red Dot]

Pearl Jam

I got a car, I got some gas
Oh let's get out of here, get out of here fast
Oh everyone's confused, so I stay in my room
If I go, I don't want to go aloneI hope you get this message, oh you're not home
I could be there in ten minutes or so
Oh I got my things, we'll make it up as we go along
Oh with you I could never be alone, never be alone
