

To the sea (remix by steve b-zet) (bonus track)

Yello

Away
Away You may have many problems
But I was never one
All I ask is take me to the sea You had to take me somewhere
I realize it now
Listen now just take me to the sea Away from flickering nights and crowded streets
Away from blinding lights and shining needs
Away from person hiding, breathing hard
Away from always paying on your card This will be my way out
And you will be my guide
Don't argue, take me to the sea I'm only asking this once
Please take me for a ride
All I ask is take me to the sea To the sea
To the sea
To the sea
To the sea Then leave me with the seagulls
Smile your sweetest smile
I'll kiss you like the salty northern breeze Drop silver on your forehead
And wave my last goodbye
All you do is take me to the sea To the sea
To the sea
To the sea
To the sea
