

# Northshore

## Tegan and Sara

Don't bend, don't blink  
Don't beg, don't scream  
Don't whine, don't fight, don't tell me  
Don't tell me, don't tell me Don't feel, don't tear  
Don't kiss, don't care  
Don't touch, don't want me  
Don't want me, don't want me Something's so sick about this  
My misery is so addictive  
I'm halfway there with your Northshore  
From the floor singing to you over my shoulder Don't run, don't hide  
Don't hurt, don't lie  
Don't breathe, don't try, don't find me  
Don't find me, don't find me Don't cringe, don't clinch  
Don't look, don't flinch  
Don't know, don't go, don't leave me  
Don't leave me, don't leave me Something's so sick about this  
My misery is so addictive  
I'm halfway there with your Northshore  
From the floor singing to you over my shoulder Don't sing, don't talk  
Don't yell, don't laugh  
Don't think, don't speak, don't save me  
Don't save me, don't save me Don't stay, don't plan  
Don't heal, don't mend  
Don't take, don't send, don't love me  
Don't love, don't love me Something's so sick about this  
My misery is so addictive  
I'm halfway there with your Northshore  
From the floor singing to you over my shoulder Something's so sick about this  
My misery is so addictive  
I'm halfway there with your Northshore  
From the floor singing to you over my shoulder Something's so sick about this  
My misery is so addictive  
I'm halfway there with your Northshore  
From the floor singing to you over my shoulder Something's so sick about this  
My misery is so addictive  
I'm halfway there with your Northshore  
From the floor singing to you over my shoulder
