

# One Sweet Day

**Mariah Carey**

Sorry I never told you  
All I wanted to say  
Now it's too late to hold you  
'Cause you've flown away  
So far away Never had I imagined  
Living without your smile  
Feeling and knowing you hear me  
It keeps me alive  
Alive And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
One sweet day Darling I never showed you  
Assumed you'd always be there  
I, I took your presence for granted  
But I always cared  
And I miss the love we shared And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
One sweet day Although the sun will never shine the same  
I'll always look to a brighter day Lord I know when I lay me down to sleep  
You will always listen as I pray And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
One sweet day And I know you're shining down on me from heaven  
Like so many friends we've lost along the way  
And I know eventually we'll be together  
One sweet day Sorry I never told you  
All I wanted to say
