

Not Going Away

Ozzy Osbourne

Dont tell me I'm wrong
Don't tell that you knew all along
I won't roll over dead
Only I know what goes on my headI've got nothing to hide
I'm not guilty inside
I won't give up
After all I'm still crazyI'm not going away
I'm not going
Try so hard to break me
But all your diamonds turn to sandI'm not going away
I'm not going
Say goodbye forever
I'll wait for you in no man's landGet out of my way
There's nothing you can do to change what I say
I won't ever let go
I got the answer but you'll never knowI got my eyes open wide
Ain't gonna slip up or slide
Can't take me down
After all I'm still crazyI'm not going away
I'm not going
Try so hard to break me
But all your diamonds turn to sandI'm not going away
I'm not going
Say goodbye forever
I'll wait for you in no man's landI'm not going away
I'm not going away
I'm not going away
I'm not going awayI'm not going away
I'm not going away
I'm not going away
I'm not going awayI'm not going away
I'm not going
Try so hard to break me
But all your diamonds turn to sandI'm not going away
I'm not going
Say goodbye forever
I'll wait for you in no man's landI'm not going away
I'm not going away
I'm not going away

I'm not going
Say goodbye forever
I'll wait for you in no man's land
