

Time After Time (Annelise)

R.E.M.

Ask the girl of the hour
By the water towers watch
If your friends took a fall
Are you obligated to follow
Time after time, after time
When the bulls on his hooves
When you gather friends by the tower
If you try to refuse
Will they judge your worth by the hour?
Time after time, after time
Time after time, after time
If your tired and you're tried
You can find me in my room
You can stay if you want
And the third time you can't lose
Time after time, after time
Time after time, after time
Ask the girl of the hour
By the water towers watch
We can fight if you want
But who will turn out the light
Time after time, after time
Time after time, after time
Time after time, after time
Time after time, after
