In Your Life

La Bouche

In your life, in your life
In your life, in your life
In your life, in your life
In your life, in your lifeIn your life, like sitting on a ferris wheel
Watching the world go around and around it goes
Maybe that's how lovers feel
Up and down, where it stops nobody knowsHow many tears or How many broken hearts
Just how many sorrows
How much you'll take
In your lifeIn your life, in your life
In your life, in your life
In your life, in your life
In your life, in your lifeNo body knows, ole, ole, ole, olaLonely heart of a little boy
Waiting for his daddy with a brand new toy
Lonely eyes of a pretty little girl
BetHow many tears
Or How many broken hearts
Just how many sorrows
How much you'll take
In your lifeIn your life, in your life
In your life, in your life
In your life, in your life
In your life, in your lifeNo body knows
Ole, ole, ole, ola
In your life
No body knows
Ole, ole ole olaFor God so loved the world
He gave his only begotten son
That who so ever believed in him
Shall not perish but have everlasting lifeNo body knows
I know I could be in your life
Forever in your life
I know I should be by your sideForever in your life
'Cause, this is what it all comes down to
In your life
This is what it all comes down to
In your lifeIn your life, in your life
In your life, in your life
In your life, in your life

In your life, in your lifeNo body knows, ole, ole ole ola
In your life
No body knows, ole, ole, ole, olaNo body knows, ole, ole, ole, ola
In your life
No body knows, ole, ole, ole, olaIn your life
