It's About Time

Lillix

It's about life, it's about funI hate you, I love you
I just can't remember to forget you
Who are you? Who needs you?
You make me feel alive, I die, so high

I'm crawling on the ground

And I found I can flyOne of these days it all comes together

One of those days that goes on forever

Think I sound crazy? Maybe, whatever

What's it all about? It's about life, it's about fun

It's over before it has begun

It's about you, it's about me

It's about everything betweenAnd I say

I'm saying goodbye to you

I say hi to you with no clue

It's about time that I make up my mindIt's simple, confusing

The truth is I'm winning

But I'm losing and pulling

And pushing won't do me any good

It could, it should

I'm honest to myself that the truth is I liedOne of these days it all comes together

One of those days that goes on forever

Think I sound crazy? Maybe, whatever

What's it all about? It's about life, it's about fun

It's over before it has begun

It's about you, it's about me

It's about everything betweenAnd I say

I'm saying goodbye to you

I say hi to you with no clue

It's about time that I make up my mindTime is creeping behind me

Surrounding around me

Fading the words so desperately

Now give me a reason that I can believe in

Time is something you can't rewindOne of these days it all comes together

One of those days that goes on forever

Think I sound crazy? Maybe, whatever

What's it all about? It's about life, it's about fun

It's over before it has begun

It's about you, it's about me

It's about everything betweenAnd I say

I'm saying goodbye to you
I say hi to you with no clue
It's about time that I make up my mindIt's about life, it's about fun
It's about you, it's about me
It's about life, it's about fun
It's about life, it's about fun
It's about you, it's about meAnd I say
I'm saying goodbye to you
I say hi to you with no clue
It's about time that I make up my mind
