I Smell Trouble

Johnny Winter

Lord, knows I've tried
To do what's right
One whole year of stayin' home
Both day and night'Cause I smell a mean trouble
Way over yonder
You know I heard a mean, yeah
Always in trouble people
Lord, they just won't let me beThe people talk about me
Both night and day
I said, Lord, please forgive them
And go the other way'Cause I smell a mean trouble
Lord, I smell trouble
Ahead of me, oh, yeah
Yes, always in trouble
Lord, they just won't let me beAnd from now on
I will not run and hide
I'll face trouble with a smile
And hope it pass me by'Cause I smell a mean trouble
Way over yonder
I say, I heard a mean
Yes, always in troubleThey just won't
They just won't
Lord, they just won't
Let me beHoo, oh yeah
