

I Love You (Feat. Esther Dean)

Chris Brown

I don't know it is but (I love you I love you I love you)
I don't know what you do but (I love you I love you)
Oh baby,
Baby I don't know what it is but you drive me
Crazy and every time I'm around you girl it feels
Amazing and I'm on my best behavior when I'm with
My baby 'cause I cant lose my baby I don't met a lot girls in my life but they not like you no
I don't been with the best and
Baby you the best of the best you the greatest I don't know what it is but (I love you I love you I love you)
I don't know what you do but (I love you I love you I love you)
I don't know what it is but (I love you I love you I love you)
I don't know what you do but (I love you I love you I love you) Lately when you're gone all I do is think about

I'm so gone off you're love and I don't know
Why baby its the way you love me hold me kiss me cause baby I don't met a lot girls in my life but they not
