

# The Green Manalishi (With The Two-Pronged Crown)

## Judas Priest

Now when the day goes to sleep and  
the full moon looks  
And the night is so black that  
the darkness cooks  
And you come sneaking around  
making me do things I don't want to do I can't believe that she needs my  
love so bad  
Always creeping around  
trying to drive me mad  
Busting in all my dreams  
making me see things  
I don't want to see 'Cause you're the Green Manalishi  
with the two-pronged crown  
All night dragging us up  
or you're bringing us down  
Just taking my love, and slip away  
Leaving me here  
just trying to keep from following you
