

# Summer Girls

## Timeflies

I hate girls that wear Abercrombie and Fitch,  
I'd take em if I had one wish,  
She been gone since that summer, since that summer.

Hip hop, marmalade, spic and span,  
Met you one summer when it all began.  
Your the best girl that I ever did see,  
The great Larry Bird, jersey, 33.  
And when you take a sip yeah you buzz like a hornet.  
Billy Shakespeare wrote a whole bunch of sonnets.  
Call me Willy Whistle cuz I can't speak baby,  
Something in your eyes went and drove me crazy.  
Now I can't forget you and it makes me mad,  
Left one day and you never came back.  
Stayed all summer then went back home,  
Macaulay Culkin wasn't home alone.  
Fell deep in-love but now we ain't speakin,  
Michael J Fox was Alex P Keaton.  
When I met you I said my name was Rich,  
You look like a girl from Abercrombie and Fitch.

New kids on the block had a bunch of hits,  
Chinese food makes me sick,  
And I think it's fly when girls stop by for the summer, for the summer.  
I hate girls that wear Abercombie and Fitch,  
But I'd take em if I had one wish,  
She's been gone since that summer, since that summer.

Yeah Cherry Pez, Cold Crush, Rockstar Boogie.  
Used to hate school so I had to pay hookie.  
Always been hip to that B' Boy style,  
Know I had to act wild to make the pretty girls smile.  
Love new addition and da candy girl,  
Remind me of you because you rock my world.  
Come from Georgia where the peaches grow,  
They drink lemonade and then they speak real slow.  
You love hip-hop and that Rock N' Roll,  
And your daddy left home when you was 4 years old.  
There was a good dude named Paul Revere,

I feel much better baby when your near.  
You love that fun dip and that cherry coke,  
I like the way you laugh when I tellin a joke.  
When I met you I said my name was Rich,  
You look like a girl from Abercrombie and Fitch.

New kids on the block had a bunch of hits,  
Chinese food makes me sick,  
And I think it's fly when girls stop by for the summer, for the summer.  
I hate girls that wear Abercombie and Fitch,  
But I'd take em if I had one wish,  
She's been gone since that summer, since that summer.

New kids on the block had a bunch of hits,  
Chinese food makes me sick,  
And I think it's fly when girls stop by for the summer, for the summer.  
I hate girls that wear Abercombie and Fitch,  
But I'd take em if I had one wish,  
She's been gone since that summer, since that summer.

Summer time already man I wonder where the time goes,  
It's a Tuesday and we back in the finals.  
Durant, Lebron, had to bring the power back,  
Celtics close but no cigar they had to turn the hour back.  
Summer time so close I can taste it,  
Beaches, bar b' ques, goin gettin wasted.  
I spent so much time with your bitch,  
Now all my clothes smell like Abercrombie and Fitch.

New kids on the block had a bunch of hits,  
Chinese food makes me sick,  
And I think it's fly when girls stop by for the summer, for the summer.  
I hate girls that wear Abercombie and Fitch,  
But I'd take em if I had one wish,  
She's been gone since that summer, since that summer.

New kids on the block had a bunch of hits,  
Chinese food makes me sick,  
And I think it's fly when girls stop by for the summer, for the summer.  
I hate girls that wear Abercombie and Fitch,  
But I'd take em if I had one wish,  
She's been gone since that summer, since that summer.
