

Welcome to the Rap Game

Pastor Troy

Welcome, welcome boys and girls
Welcome to the rap game
I hope you all are ready to learn a whole lot, man
We will get straight to it
We ain't gonna waste no time
As you can see at the boy here
You know what time it is?
We got a picture
Of a lame ass nigga
You think you're ready for this game?
Okay Welcome to the rap game
Let me tell you my name
Call me nigga point my brain
You wanna be a rapper?
Well ain't that cute?
Please don't shoot
With your skinny ass jeans Let me tell you one thing, nigga
My word law
1999, I came out raw
And it's still my time
I shine so bright
Yeah, I heard your freestyle and you need to write I've been in jazz
I ain't heard shit alike
No way I saved a life
I saved it, come on
Welcome to the rap game
And listen to the song Sick of selling cocaine
Now he's in the rap game
Wanna see the fans lay?
Now he's in the rap game
I'mma tell you one thing
Welcome to the rap game Sick of selling cocaine
Now he's in the rap game
Wanna see the fans lay?
Now he's in the rap game
I'mma tell you one thing
Welcome to the rap game
