

I Adore U

Adore Delano

[Verse 1]

This is how it ends, never meant to hurt you
I'm a pretty mess and I don't deserve you
I ran out of time and second chances
Sorry couldn't build your white picket fences[Pre-Hook 1]
And I-I-I only got myself to blame[Hook]
Cause every time I see you, it's like all I am is see-through
We were everything I know it, don't wanna miss it, record it
I adore you (I adore)
I adore you (I adore)
I adore you (I adore)
I adore you (I adore)

The falling out was easy, but I hate that you don't need me
And it gets so hard to speak, every time you get to me
Cause I adore you (I adore)
I adore you (I adore)
I adore you (I adore)

I adore you (I adore)[Verse 2]

Everybody says that you're doin' fine now
Cruisin' for a thrill like I wouldn't find out
When you turn it back, do you ever wonder?
If we could have tomorrow, in technicolor?[Pre-Hook 2]
And I-I-I got so much left to say[Hook][Bridge]
And no-o-o-o-o-o, can't you see it
I adore you
No, no-o-o-o-o-o, you're mi-i-ine
(I adore you)[Hook]
