

Automatic Attack

Stand High Patrol

A song is a song
A team is team
Stand high patrol them are king inna the ring
A tune is a tune
a fact is a fact
stand high patrol are gonna start the attack
I tell you auto, auto, automatic attack
auto, auto, automatic attack
auto, auto, automatic attack
auto, auto, automatic attack
Stand high nice a song, or nice satisfaction/2x
bring sweet sweet sensation
bring sweet sweet sensation
