

Unleashed

Epica

Keep hiding
All colors fading
Desiring
They're coming for me
Receiving my inspiration
Receiving Back in the day, I can recall
That my thirst for un-clarity and saint
There was no black stain in the walls of my memories
Now there's a haste pushing me sideways
And leaving me nothing to gain
Taking me back, locking me close in disparity
Where was I meant to be?
I'm feeling lost in a dream
Long for the day I can be myself When I'm free
When my sun has set
Release myself forever
I have no regrets
To be free
I'm existing again
No, I'm lost endeavors
Nothing to concern
When I'm free Call a decline
Slowly defines me
Is falling away far behind
Nothing to keep me with the time
The here and now
Where am I meant to be?
I'm feeling lost in a dream
Yearning again only to be myself When I'm free
When my sun has set
Release myself forever
I have no regrets
To be free
I'm existing again
No, I'm lost endeavors
Nothing to concern
When I'm free Time's just a concept
And always the first thing to fade
(no more heartache, no deserving)

Hiding in weakness
Nothing we can ever refrain
Years are cruel, they break us
Ruling on decay and despair (no despairing)
Cowardice of perception
Something we can never repair (no repairing) No one to blame
Way from the render
There's nothing we'll ever explain
So it remains
Where was I meant to be?
I'm feeling lost in a dream
Long for the day I can be myself (free)
When will I be unleashed?
There's nothing I need to be
Yearning again only to be myself Free
When my sun has set
Release myself forever
I have no regrets to be free
I'm existing again
No, I'm lost endeavors
Nothing to concern
When I'm free
