## Euroz

This is not helping me at all  
What you are doing here  
In the name of god and love  
It's the distribution of fear  
Pyramids, healing wires  
Analysts with fame  
I haven't got your degree  
And I forgot your name  
Pick me up and put me on the ground  
Set me up and spin me all around  
No, you are not the one  
You are not the one, no Sir  
This is not helping me at all where did we get this plan?  
That you could give to me what I might already have  
Pyramids, healing wires, a musician's fame  
I volunteered you my eyes in place of facing me  
Pick me up and put me on the ground  
Set me up and spin me all around  
No, you are not the one  
You are not the one  
Pick me up and put me on the ground  
Set me up and spin me all around  
You are not the one  
You are not the one I wish to see  
Yeah yeah yeah yeah yeah yeah  
Oh Hitler, in a robe of truth  
My emptiness has built your altar  
And I've worshipped myself in you forever  
Until now  
Pick me up  
Set me up  
Pick me up  
No, set me up  
You are not the one, no no  
You are not the one I wish to see  
I wish to see  
I wish to see  
I wish to see, me love, no, yeah
