

# Act Like You Know Me

## Three 6 Mafia

Act a damn fool, act a damn fool

Act a damn fool, act a damn fool

Act a damn fool, act a damn fool

There's some cowards in this thang if you see 'em point 'em out

There's some cowards in the South if you see 'em point 'em out

There's some cowards in this thang if you see 'em point 'em out

There's some cowards in the South if you see 'em point 'em out

There's some cowards in this thang if you see 'em point 'em out

There's some cowards in the South if you see 'em point 'em out

There's some cowards in this thang if you see 'em point 'em out

There's some cowards in the South if you see 'em point 'em out

Act like you know me, when I tell that I'm from the North

Act like you know me, when I ask ya let me hit the shorts

Act like you know me, if I holla and front ya boy a Ki

Act like you know me, when I'm on the track in evergreen

Act like you know me, when you see the platinum on my wrist

Act like you know me, when you know that I done took yo bitch

Act like you know me, if you know that I been husslin'

Act like you know me, rock for rock the record business man

Act like you know me, if I pull the strap and bring the pain

Act like you know me, if you see me on them twanky thangs

Act like you know me, when that fire shit is all we smoke

Act like you know me, if I tell ya nigga hit this dope

Act like you know me, when I'm winnin' in this dice game

Act like you know me, if I tell yo' hoe don't touch the grain

Act like you know me, if I tell you niggas bring it on

Act like you know me, point'n in yo face a fuckin' tone

There's some cowards in this thang, if you see 'em point 'em out

There's some cowards in the South, if you see 'em point 'em out

There's some cowards in this thang, if you see 'em point 'em out

There's some cowards in the South, if you see 'em point 'em out

There's some cowards in this thang, if you see 'em point 'em out

There's some cowards in the South, if you see 'em point 'em out

There's some cowards in this thang, if you see 'em point 'em out

There's some cowards in the South, if you see 'em point 'em out

Act like you know me, 'cause I'm armed with guns and ready to bum

Act like you know me, 'cause I bring the war like Vietnam

Act like you know me, when you see me cruising were you lay

Act like you know me, 'cause with bitches I don't fucking play

Act like you know me, 'cause I'm super serious with this evil  
Act like you know me, in my Regal chrome desert eagle  
Act like you know me, I hate say it but when I'm on some blow  
Act like you know, I turn gorilla might rape a hoe  
Act like you know me, I'm from straight fucking Black Hav.  
Act like you know, that I bet that I blow that I ain't afraid  
Act like you know me, 'fore you say that on yo CD's  
Act like you know, once before I caught you in the streets  
Act like you know me, 'cause these bullets know no fucking name  
Act like you know, I brought you in and take you out this game  
Act like you heard of Triple Six is 'bout some bigger business  
Act like you heard if it's a murder, you can be the witness  
Act like you know me, when you got pounds of the green dough  
Act like you know me, when you want to hit the ski slopes  
Act like you know me, when you got gallons of alcohol  
Act like you know me, when you braking down the bowling balls  
Act like know me, when you got a load of freak hoes  
Act like you know me, when you got the pearl to touch her toes  
Act like you know me, when I tell you that my name is Lord  
Act like you know me, when I tell you Lord will cut your cords  
Act like you know me, 'cause you know I like to wear black  
Act like you know me, 'cause you know I like to tote a gat  
Act like you know me, 'cause you know I pop up on ya set  
Act like you know me, 'cause you know I came to get it wet  
Act like you know me, 'cause you know you got to call the cops  
Act like you know me, 'cause you know the fucking blocks hot  
Act like you know me, 'cause you know I took yo fucking spot  
Act like you know me, act like you know me nigga, not  
Act like you know me, got you niggas saying I'm the shit  
Act like you know me, when you see me with my fuckin' clique  
Act like you know me, when I creep and sneak up in yo house  
Act like you know me, when you hear, I done cleaned the house  
Act like you know me, when I'm block'n cruis'n who she be  
Act like you know me nigga, Gangsta Boo BHZ  
Act like you know me, yo I'm real I'm trill, whatever nigga  
Act like you know me, I be crazy lady, know that nigga  
There's some cowards in this thang, if you see 'em point 'em out  
There's some cowards in the South, if you see 'em point 'em out  
There's some cowards in this thang, if you see 'em point 'em out
