Get a Life

Soul II Soul

This thing called life
Know what's the meaning of the line, tell me
Well it's like dreaming of your goals
Ambitions and feeling free
I'm on this mission to achieve
Achieve what
What's in your minds eye
This is what you believe you should gain, huh uhSatisfaction becomes a shinning example
A test of a sample of a new race
That has ample supply of positivity
You mean flow
Well like electricity, so
You see a clear way with no ambiguity
Don't you knowWhat's the meaning
What's the meaning of life
What's the meaning
What's the meaning of lifeElevate your mind, free your soul
Well, come on, come on
Feel the feeling let your body take control
Ah yeahElevate your mind, free your soul
Well, come on, come on
Feel the feeling let your body take controlWell, don't be afraid to experiment, you know, umm
Go ahead you know and implement your ideas
Your notions, put them in motion
Like the words the funki dreds have spoken to you
So listen up loud and clear
This is a word you must be aware of
What ya gonna do put it in your life tool
And that's the meaning of the lineWhat's the meaning
