

If I Love You

The Stylistics

All of my lonely life
I think of you (I think of you)
You're like a fairy tale
A wish come true (wish come true)
So many times I've tried to let
you know I'm glad you're mine
But still you're so afraid
So now I'll go use your head[chorus] Cause I love you
If I wanna leave you
If I love you
If I wanna leave youMaybe I failed to make you understand (understand)
How much you mean to me
You're part of every plan
In every way you pull me
Through the problems of each day
Why can't I make you see
That you're my life you're part of me.Cause I love you
If I wanna leave you
If I love you
If I wanna leave you[interlude]So many times I've tried to let
you know I'm glad you're mine
Why can't I make you see
That you're my life you're part of meCause I love you
If I wanna leave you
If I love you
If I wanna leave you
If I love you
If I wanna leave you
