

A World Apart (Demo Version)

Fates Warning

We find ourselves in ruin and it's come too far
How? It's no use, too much allowed and abused
Worlds apart, they're excused
When we've warned, they're amused
We slip right by and ignore this sable scene
We've lied to live, it's all for one, you see
Why should we think to care?
Won't we anyway disappear?
Worlds apart, they're excused
Balance waived as we speak
