

Keep It Koming

Organized Konfusion

Spark that L! We keep it koming
We keep it koming, huh
We keep it koming (Spark that L!)
We keep it koming, uhh
And when it's time to Organize
We stick together through the times
With the attitude like Miles
We keep it koming We keep it koming
We keep it koming
We keep it koming (Spark that L!)
We keep it koming
And when it's time to Organize
We stick together through the times
With the attitude like Miles
We keep it koming I be flipping the scripts, ripping through hoods coming equipped
Lifts out of my lyrics sippin forties in a whip
Organized, rise raise up the level surprise!
Niggas watch Prince, open your eyes when I deliver
Give a honeydip a wink, thick chocolate bitch
Switch up the pace, kick me the digits later you can taste
The bass thumps for months, entrapped in the lab
With mad blunts, creating formulas that you can grab
I escape, the clutches of wackness, I'm like a mattress
Lay it down for the South Side, Sounds of Blackness
Uh, ohhh, I keep it koming stunning you're running
Through states, to make pace gunning you down with the drumming
That rakes, in the dough
Oh, my God, times are hard so I gotta flow
Spark up the L, I excel over the stress
Crushing the competition that I stomp from East to West
Rest assured we will deliver the goods to the 'hoods
For the youth, this is proof we should
Well, Organize got the bomb hard to stay calm
Forming like Voltron and then attacking at dawn We keep it koming
We keep it koming, huh
We keep it koming (Spark that L!)
We keep it koming, uhh
And when it's time to Organize
We stick together through the times

With the attitude like Miles
We keep it komingWe keep it koming
We keep it koming
We keep it koming (Spark that L!)
We keep it koming
And when it's time to Organize
We stick together through the times
With the attitude like Miles
We keep it komingWhen I'm fed up, I hold my head instead of me teasing
Yo ooh ooh child, things are gonna get easier
In my mind and in my soul
I can take control of a beat whenever I roll
Stroll up the block, 40-dog cocked back
In my knapsack is a Uzi-wop (Black what's up?)
Spreading like malaria, but much scarier
Migrating in the whole tri-state area
Without a doubt, my niggas never go out
They rock, braids and fades and baldies
And blow up and blew out throughout
The entire night I'm peepin' you and
Your entire crew out (What's that all about?)
I suppose I be steppin' to the hoes when
I'm askin' them with confidence, 'cause I know my new shit
Is gonna go platinum, I'm after them
Light skin ones inside of a Maxima
On a passenger side, this is what I'm asking her
Hey baby you look so good
Why you driving through our neighborhood?
If raps I wrote were cookies, I bet you'd bite a chip
Rookie fetch a product, 'took us a long time to ignite
A funky style from the end, back to the beginning
Niggas is winning, Prince, niggas is winning
Keep the fat drumming running up your back
Black, with stacks of facts for the tracks
That you can react toWe keep it koming
We keep it koming, huh
We keep it koming (Spark that L!)
We keep it koming, uhh
And when it's time to Organize
We stick together through the times
With the attitude like Miles
We keep it komingWe be the bread and butter making breaking crown facts around back
Cracking gunner sound heart starts to stutter when the bass
Pounds butter, like this
Rumbling CD crispy, no hissRush you like Russell, make you flip like Nipsey

Wilson make it to Poughkeepsie, but maybe one
Organized take the label ratings by tip
To keep my peers motivated with funk, only we rip see
For years tears shed it but never let it
Mislead a nigga figure that I'd be runnin' dogs you know We keep it koming
We keep it koming, huh
We keep it koming (Spark that L!)
We keep it koming, uhh
And when it's time to Organize
We stick together through the times
With the attitude like Miles
We keep it koming We keep it koming
We keep it koming, huh
We keep it koming (Spark that L!)
We keep it koming, uhh
And when it's time to Organize
We stick together through the times
With the attitude like Miles
We keep it koming nigga
