Angel Eyes (feat. Chris Motionless)

New Years Day

There's something about you,
I can not explain
I just want to know you,
I just want to know your name
It's not what you said,
Not the way you said it
I'm under your spell and I don't regret itTake my breath,
Baby reach inside my chest,
You can have whatever's left,
Cause baby I'm possessedDon't you try to hide with those angel eyes
(If you let me inside, I wont hold back this time)
Such a deep disguise, the devil's right inside
(More than paralyzed, oh its the chase you like)There's a darkness,
I can feel it in your touch
I should get away,
I want you way too muchTake my breath,
Baby reach inside my chest,
You can have whatever's left,
Cause baby I'm possessedDon't you try to hide with those angel eyes
(If you let me inside, I wont hold back this time)
Such a deep disguise, the devil's right inside
(More than paralyzed, Oh its the chase you like)I don't care how many times it takes to get through to you,
This is a force that not even God can stop,
You're fucking mineYou have this power over me
And there's no way to fight it
I cant help but gravitate towards you,
This is a force I can't defeatTake my breath,
Baby reach inside my chest,Don't you try to hide with those angel eyes
(If you let me inside, I wont hold back this time)
Such a deep disguise, the devil's right inside
(More than paralyzed, watch out the devil's inside)
