

Somethin' Else

Tom Petty & The Heartbreakers

Look left, here she comes, here comes that girl again
Wanted to date her since I don't know when
But she don't notice me when I passShe goes with other guys way outta my class
That can't stop me from thinkin' to myself
Boy, that girl's fine lookin' man, she's somethin' elseLooky there, across the street
There's a car named Just For Me
To own that car would be a luxury
But right now, I can't afford the gasA brand new convertible is outta my class
That can't stop me from thinkin' to myself
Boy, that car's fine lookin' man, it's somethin' elseLookout, wait and see, work hard and savin' dough
I'll get the girl that I've been wantin' so
We'll get that girl, we go ridin' aroundLook real cute with the white top down
So keep right on a dreamin', thinkin' to myself
When it all comes true man, that's somethin' else
