

Remember

[Lauren Daigle](#)

In the darkest hour when I cannot breathe
Fear is on my chest, the weight of the world on me
Everything is crashing down, everything I had known
When I wonder if I'm all alone I remember, I remember
You have always been faithful to me
I remember, I remember
Even when my own eyes could not see
You were there, always there I will lift my eyes even in the pain
Above all the lies, I know You can make a way
I have seen giants fall, I have seen mountains move
I have seen waters part because of You I remember (I remember) I remember (I remember)
You have always been faithful to me
I remember (I remember) I remember (I remember)
Even when my own eyes could not see
You were there, always there
I can't stop thinking about
I can't stop thinking about
I can't stop thinking about
Your goodness, goodness
I can't stop thinking about
I can't stop thinking about
I can't stop thinking about
Your goodness, goodness
I can't stop thinking about
I can't stop thinking about
I can't stop thinking about
Your goodness, goodness
I can't stop thinking about
I can't stop thinking about
I can't stop thinking about
Your goodness, goodness
I remember, I remember
You have always been faithful to me
I remember (I remember) I remember (I remember)
Even when my own eyes could not see
You were there, always there with me
