## Remember

## **Lauren Daigle**

In the darkest hour when I cannot breathe
Fear is on my chest, the weight of the world on me
Everything is crashing down, everything I had known
When I wonder if I'm all aloneI remember, I remember

You have always been faithful to me

I remember, I remember

Even when my own eyes could not see

You were there, always thereI will lift my eyes even in the pain

Above all the lies, I know You can make a way

I have seen giants fall, I have seen mountains move

I have seen waters part because of YouI remember (I remember) I remember (I remember)

You have always been faithful to me

I remember (I remember) I remember (I remember)

Even when my own eyes could not see

You were there, always there

I can't stop thinking about

I can't stop thinking about

I can't stop thinking about

Your goodness, goodness

I can't stop thinking about

I can't stop thinking about

I can't stop thinking about

Your goodness, goodness

I can't stop thinking about

I can't stop thinking about

I can't stop thinking about

Your goodness, goodness

I can't stop thinking about

I can't stop thinking about

I can't stop thinking about

Your goodness, goodness

I remember, I remember

You have always been faithful to me

I remember (I remember) I remember (I remember)

Even when my own eyes could not see

You were there, always there with me
