

Te Quiero, Dijiste

Nat King Cole

"I love you" you said
Taking my hands
Into your little hands
Of white ivory
And I felt in my chest
A heavy pang
Then a sigh
And next the spark
Of a feverish kiss Pretty little doll
Of golden hair
Your teeth of pearls
Ruby lips
Tell me if you love me
As I love you
If you remember me
As I do you Sometimes I hear
A divine echo
Enveloped in the wind
It seems to say
Yes, I really love you
So very much
As much as then
Until I die
