Don't Turn Around

The Raes

Donâ€™t turn around,
Donâ€™t turn, no,
Donâ€™t turn around

If youâ€™d have said that this could happen
At anytime, at any place
I would have laughed and said youâ€™re crazy
You would have smiled back in my face
But that was then, now times are changing
What was in my mind, Iâ€™m saying

You better run, cause youâ€™re in danger
If your true love becomes a stranger
Better run from pain and passion
That kind of love is out of fashion

Better run before you see him
Better run before you meet him
The times are gone when you believed him
You know itâ€™s time youâ€™ve got to leave him

Go! Donâ€™t turn around,
Donâ€™t turn around,
Donâ€™t turn, no,
Donâ€™t turn around

What kind of fate am I expecting
Down and out and in the rain
Iâ€™ll find the pieces Iâ€™m collecting
I know weâ€™d never love again
Iâ€™ve got the feeling sheâ€™d be staying
What was in my mind, Iâ€™m saying

You better run, cause youâ€™re in danger
If your true love becomes a stranger
Better run from pain and passion
That kind of love is out of fashion

Better run before you see him
Better run before you meet him

The times are gone when you believed him
You know itâ€™s time youâ€™ve got to leave him

Go! Donâ€™t turn around,
Donâ€™t turn around,
Donâ€™t turn, no,
Donâ€™t turn around

Donâ€™t turn around,
Donâ€™t turn around,
Donâ€™t turn around, no
Donâ€™t turn around

Better run before you see him
Better run before you meet him
The times are gone when you believed him
You know itâ€™s time youâ€™ve got to leave him

Go! Donâ€™t turn around,
Donâ€™t turn, no,
Donâ€™t turn around

Donâ€™t turn around,
Donâ€™t turn around,
Donâ€™t turn, no,
Donâ€™t turn around,

Donâ€™t turn around,
Donâ€™t turn around,
Donâ€™t turn, no,
Donâ€™t turn around,
