

Kiddio (New Stereo Version)

Brook Benton

I told you, baby, how I feel
One word can close this deal
Baby, be my queen of hearts
Please gimme that love you've got
A-won'tcha say yes?, don'tcha say no
Make me feel good, kiddioMaybe I'm just wastin' time
Can't get you off my mind
You could make me feel so good
I know you could if you only would
A-won'tcha say yes?, don'tcha say no
Make me feel good, kiddioI wrote you a six-page letter
I called you on the phone
But you started talkin' 'bout the weather
Kiddio, don'tcha know that's wrong?I can't stand this playin' 'round
Help me up, don't let me down
Kiss me baby, tell me so
If you love me, let me know
A-won'tcha say yes? don'tcha say no
Make me feel good, kiddioI wrote you a six-page letter
I even called you on the phone
But you started talkin' 'bout the weather
Kiddio, don'tcha know that's wrong?I can't stand this playin' 'round
Help me up, don't let me down
A-kiss me baby, tell me so
If you love me, let me know
a-won'tcha say yes?, don'tcha say no
Make me feel good, kiddioMake me feel so-uh-oh oh good, so, so good, kiddio
